

Announcement

Over recent months Flexipole Industries has been taking part in the WA Innovator of the Year Awards 2010, recognising outstanding achievement in Innovation. Hosted by the Department of Commerce and Innovation, Flexipole presented to a panel of specialist judges to make it through to the first, and then second round finals for our revolutionary composite material, NACFlex

We are very proud to announce that at an Award Ceremony held at Burswood last week, Flexipole Industries was named:

Winner of the Charles Morgan Innovator of the Year Award 2010!

We at Flexipole are very proud of this achievement which again demonstrates the innovative features and design elements in our ranges of bollards, post & rail fencing systems, tree stakes and tree guards.

For more information regarding Flexipole Industries and our environmentally friendly product ranges please contact me directly on 0402 124 033 or info@flexipole.com or visit our website.
